

## **POLICY STATEMENT on**

### **Safeguarding Children and Young People in the Church**

**BLUNTISHAM BAPTIST CHURCH** (referred to as “the church” in the Policy Statement)

#### **SAFEGUARDING MISSION STATEMENT**

The Deacons recognise the need to provide a safe and caring environment for children and young people. We also acknowledge that children and young people can be the victims of physical, sexual and emotional abuse, and neglect. The membership of the church has therefore adopted the procedures set out in this policy document.

In fulfilling this mission statement the church:

- Has a programme of activities with children and young people
- Welcomes children and young people into the life of our community
- Makes our premises available to organisations working with children and young people.

#### **CHURCH POLICY**

The church recognises its responsibilities for the safeguarding of all children and young people under the age of 18 (regardless of gender, ethnicity or ability) as set out in The Children Act 1989 and 2004, and other subsequent statutory legislation, *Safe from Harm* (HM Government 1994) and *Working Together to Safeguard Children* (HM Government 2010).

As members of this church we commit ourselves to the nurturing, protection and safeguarding of all children and young people associated with the church and will pray for them regularly.

In pursuit of this we commit ourselves to the following policies and to the development of procedures to ensure their implementation.

#### **Prevention and reporting of abuse**

It is the duty of each church member and each member of the wider church family to be aware of the safeguarding policy. It is the duty of all to raise any concerns about the well-being of children and young people to the Safeguarding Deacon or Designated Person. The church will fully co-operate with any statutory investigation into any suspected abuse.

The Deacons recognise the need to provide a safe and caring environment for children and young people. We also acknowledge that children and young people can be the victims of physical, sexual and emotional abuse, and neglect. The membership of the church have therefore adopted the procedures set out in this policy document. We also recognise the need to build constructive links with statutory and voluntary child protection agencies. The Deacons undertake to file a copy of the policy and practice guidelines with Thirtyone:Eight and Cambridgeshire Children’s Services.

The Deacons are committed to on-going child protection training for all children/youth workers and will regularly review the operational guidelines that accompany this policy.

## **A safe community**

The church is committed to providing a safe environment for activities with children and young people and will adopt ways of working with children and young people that promote their safety and well-being. The church adopts a code of behaviour for all who are appointed to work with children and young people so that all children and young people are shown the respect that is due to them.

The church is committed to the prevention of bullying of children and young people. The church will ensure that the behaviour of any who may pose a risk to children and young people in the community of the church is managed appropriately.

The church exercises proper care in the selection and appointment of those working with children and young people, whether paid or voluntary. All workers will be provided with appropriate training, support and supervision to promote the safeguarding of children.

## **Support to those affected by abuse**

The Deacons are committed to offering pastoral care, working with statutory agencies as appropriate, and support to those attending the church who have been affected by abuse.

## **Working with offenders**

When someone attending the church is known to have abused children, the Deacons will supervise the individual concerned and offer pastoral care, but in its commitment to the protection of children, set boundaries for that person which they will be expected to keep.

## **RESPONSIBLE PEOPLE**

The church has appointed **Lucy Thatcher** as the **Safeguarding Deacon** to:

- Advise the church on any matters related to the safeguarding of children and young people
- Oversee and monitor implementation of the policy and procedures on behalf of the church's charity trustees. (The Minister and the Deacons).
- Take the appropriate action when abuse is disclosed, discovered or suspected.

The church has also appointed **Helen Thatcher** as **Designated Person for Safeguarding**.

- In the absence of the Safeguarding Deacon, or if the suspicions/allegations in any way involve the Safeguarding Deacon then the report should be made to a Designated Person.

## RESPONDING TO ALLEGATIONS OF ABUSE

Under **no circumstances** should a church worker carry out their own investigation into the allegation or suspicion of abuse. The person in receipt of allegations or suspicions of abuse will do the following:

- Concerns must be reported as soon as possible to the Safeguarding Deacon:

**Mrs Lucy Thatcher Tel No: 07891 866119**

**Email: [safeguarding@bluntishambaptist.org](mailto:safeguarding@bluntishambaptist.org) or [safeguarding.deacon@bluntishambaptist.org](mailto:safeguarding.deacon@bluntishambaptist.org)**

The Safeguarding Deacon has been nominated by the church membership and the Deacons to act on their behalf in dealing with the allegation or suspicion of neglect or abuse, including referring the matter on to the statutory authorities.

As already stated, in the absence of the Safeguarding Deacon, or if the suspicions/allegations in any way involve the Safeguarding Deacon then the report should be made to either **Designated Person:**

**Mrs Helen Thatcher Tel No: 07791260612 Email: [designated.person@bluntishambaptist.org](mailto:designated.person@bluntishambaptist.org)**

The role of the Safeguarding Deacon/Designated Person is to collate and clarify the precise details of the allegation or suspicion as disclosed **and if it is considered to be the appropriate response**, to pass this information on to the Cambridgeshire Children's Services Department. It is Cambridgeshire Children's Services Department's task to investigate the matter under Section 47 of the Children Act 1989.

- Suspicions must not be discussed with anyone other than those nominated above. A written record of the concerns should be made in accordance with church procedures and kept in a secure place.
- Whilst allegations or suspicions of abuse will normally be reported to the Safeguarding Deacon or other Designated Person, the absence of these appointed persons should not delay referral to the Cambridgeshire Children's Services.
- The Deacons will support the Safeguarding Deacon and Designated Persons in their role, and accept that any information they may have in their possession will be shared in a strictly limited way on a need to know basis.

A full copy of the policy and procedures will be made available on request through the church administrator or online. The policy and procedures will be monitored and reviewed at least annually by the Safeguarding Team.
